

Guidelines for full session

Submission process:

1. Submit each lecture/paper separately
 2. For each lecture/paper complete the name of your full session and then submit (this will help us link all the papers in the full session)
 3. On the last lecture/paper complete all the additional questions needed for your full session, and only then submit
 4. Both the individual lectures and the full session content will be evaluated.
-
- ✓ Length of individual lecture – 15 minutes
 - ✓ Length of full session – 75 minutes
